Medequip Supply Corp., herein referred to as Contractor, warrants that the equipment sold shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of original purchase. This limited warranty applies to the original purchaser only.

No part of this warranty will apply to any equipment which has been subject to misuse, vandalism, negligence, alteration, improper loads, accident, improper installation, or which has been repaired outside Contractor's place of business in any way as in the reasonable judgment of Contractor, to adversely affect its performance and reliability, nor to normal deterioration due to wear, tear and exposure, corrosion, or damage caused by hail, fire, earthquake or other natural causes or acts of nature.

Contractor will make the repair or replacement of defective components at its own expense. If Purchaser discovers a defect, he/she must call Contractor at 516-477-6523 to request a Warranty Claim.

Warranty: The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. Limitation of Liability: Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.
